

VMware Consolidated Backup Jumpstart Add-on

Overview

The VMware® Consolidated Backup (VCB) Jumpstart Add-on helps you understand business continuity issues with respect to VMware vSphere and explore various strategies to increase availability and shorten response times when faced with service disruptions and disasters.

This one-day consulting engagement is designed to be ordered and delivered with the VMware vSphere™ Jumpstart or the VMware vSphere with Physical-to-Virtual Jumpstart. These jumpstarts, together with the VCB Add-on, speed your time-to-market while maximizing your time and dollars.

Benefits

- Speed time-to-implementation with an accelerated learning curve and knowledge transfer
- Mitigate risk by leveraging experienced consultants and proven best practices
- Provide proof-of-concept or pilot in your environment

Deliverables

- Interactive, proof-of-concept, disaster recovery workshop using VMware vSphere
- Best practices knowledge transfer
- Demonstration of backup and recovery of a virtual machine using VMware Consolidated Backup

Target Audience

Architects and administrators new to VMware vSphere who are interested in maximum uptime and risk reduction in event of a service disruption or disaster

Roles and Responsibilities

- VMware Certified Professional Consultant: Conducts workshop, which includes installation, configuration, administration and ongoing infrastructure management best practices
- Customer Project Manager: Plans and coordinates all jumpstart-related IT functions
- Customer Systems Administrator: Responsible for server hardware, storage, and networking
- Customer Server Administrator: Responsible for operating system and applications

Key Activities

| Action | Responsibility |
|---|----------------|
| Completion of VMware vSphere Jumpstart or VMware vSphere with P2V Jumpstart | |
| VCB overview | Consultant |
| Planning for routine failure | Consultant |
| Backup and recovery of virtual machines | Consultant |
| Testing of virtual machines backup/recovery | Consultant |
| Disaster planning | Consultant |
| Wrap up session | All |

Scope and Pricing

- Up to one (1) day on-site engagement
- Maximum of five (5) participants
- Demonstration of backup and recovery of up to two virtual machines using VMware Consolidated Backup
- VMware Consolidated Backup Jumpstart Add-on delivered by a VMware Certified Professional (VCP) consultant from VMware or from a VMware Solution Provider
- Contact your local VMware representative for pricing information
