# VPP Configurator

# VPP Configurator

## Step 1: Log into the Configurator

From the VPP Points Portal, click “Configurator”

The screenshot shows the 'Volume Purchasing Program (VPP)' interface for 'IBM Corporate (V81255570)'. The left navigation menu includes links for Home, Messages (3), Contacts, Partners, Affiliates, and Configurator. A green arrow points to the 'Configurator' link. The main content area displays a welcome message for Rachel Cox, a 'Messages' section with 3 new messages, and a 'VPP Status' section showing a progress gauge with levels L0 through L4. The current status is L0 with 0 total points and 250 points needed for the next level. The 'Configurator' link is highlighted with a red box.

**Note:** Please refer to “VPP Points Portal User Guide” for more details about how to log into the Points Portal

# VPP Configurator

## Step 2: Chose “VPP” to configure a VPP order

The screenshot displays the VPP Configurator interface. At the top, it says "VPP Configurator" and "USE THE CONFIGURATOR TO DETERMINE YOUR NEW DISCOUNT LEVEL". Below this, it shows "Program Type: VPP" with an "Edit" link. A summary section displays "VPP Discount Eligibility" with "Current Level: L0", "Current Points: 0", and "Points to Next Level: 250". To the right is a gauge showing levels L0, L1, L2, L3, and L4. A "Details" link is also present.

On the left, under "STEP 1: Find a SKU", there is a search bar and a list of product categories with expandable icons:

- Fusion
- Lab Manager
- Non Software
- Non Software
- P2V
- SPRINGSOURC
- Site Recovery
- V CLOUD
- VI4-VCENTER
- VI4-VSPHERE
- VIEW
- VMware ACE
- VMware Business Critical Support (BCS)
- VMware ESX Server
- VMware Management and Automation Licenses
- VMware Server
- VMware ThinApp
- VMware VirtualCenter
- VMware VirtualCenter Agent
- VMware Workstation
- VSHIELD
- Zimbra

A modal dialog titled "Configurator" is open in the center. It contains a "Program Type:" dropdown menu with "VPP" selected. Below the dropdown, it reads: "The Configurator will determine your points and eligible discount level on qualifying purchases made using VPP or US Federal TPP. Please make a selection accordingly and click 'submit'." A note follows: "Note: Current VPP members with an active VPP membership number who want to view their current VPP points balance and discount level may do so using the VPP Points Portal." At the bottom of the dialog are "Submit" and "Cancel" buttons.

# VPP Configurator

## Scenario 1: Customer moves from no discount to L1

This scenario configures an order for a customer who is not currently eligible for a VPP discount. This scenario uses products under the text “Select a product”. At the end of this scenario, this customer will be eligible for a L1 discount.

**VMware Transactional Purchasing Program (TPP)**

Get tier-based discounts with the new Transactional Purchasing Program (TPP), which offers U.S. Federal Government customers a consistent and flexible way to purchase VMware products. TPP applies to purchases made from the U.S. Federal pricelist through VMware’s authorized Government Dealer. You can use the new online Configurator to calculate your discount entitlement for a given purchase order.

# Public Configurator

# Public Configurator

---

**The Public Configurator allows a user to configure a quote for either VPP or TPP**

**VPP only:** A user who wants to use the Public Configurator to prepare a VPP order **MUST** be aware that the Public Configurator does not pull in VPP membership information. This means that there is **NO** accumulated balance available and VPP SKUs may not incorporate a customer's eligible discount level.

## **How to access**

From VPP Home page ([www.vmware.com/go/vpp](http://www.vmware.com/go/vpp)) under "Online tools", click "Calculate now"

**OR**

From TPP home page ([www.vmware.com/go/tpp](http://www.vmware.com/go/tpp)) under "TPP Configurator", click "Try it Now"

**OR**

Go directly to Configurator at [www.vmware.com/go/configurator](http://www.vmware.com/go/configurator)
