For more information or to purchase VMware products, call 1-877-4VMWARE (outside North America dial +1-650-427-5000), or visit www.vmware.com/products, or search online for an authorized reseller. For detailed product specifications and system requirements, please refer to the [VMware Horizon with View documentation](#).

About VMware

VMware, the global leader in virtualization and cloud infrastructure, delivers customer-proven solutions that accelerate IT by reducing complexity and enabling more flexible, agile service delivery. VMware enables enterprises to adopt a cloud model that addresses their unique business challenges. VMware's approach accelerates the transition to cloud computing while preserving existing investments and improving security and control. With more than 250,000 customers and 25,000 partners, VMware solutions help organizations of all sizes lower costs, increase business agility and ensure freedom of choice.

About Tegile Systems

Tegile Systems is a leading provider of intelligent flash storage arrays. Our mission is to accelerate the transformation of enterprise IT by changing the performance and economics of enterprise storage. Our flash storage arrays, with patented IntelliFlash™, architecture, deliver high I/O and low latency for business applications such as databases, server virtualization and virtual desktops. Our customers achieve business acceleration and unmatched storage capacity reduction.

Tegile is backed by premier venture capital firms August Capital and Meritech and strategic investors HGST and SanDisk. Follow us on Twitter [@tegile](#) or visit us at www.tegile.com.
