FAQs

Do I have to complete certification requirements in the order listed?

No, however we strongly recommend that you do. Please note that successfully registering to take an exam does not imply that you meet the certification requirements in full.

If I earned a VCP-NV certification previously, how can I achieve the new VCP-NV 2021 certification?

VMware provides multiple paths for prior certification holders. Check the path appropriate for your circumstances under the certification overview page.

Does VMware recognize my Cisco certifications?

Yes, some Cisco certifications can be used in place of course requirements. Check the path appropriate for your circumstances under the certification overview page.

How do I submit proof of my Cisco certifications to VMware?

[Please click here for instructions on how to submit proof.](#)

How do I share my VCP-NV 2021 badge?

When you've earned a VMware badge, you will receive an email notification alerting you to claim your badge. When you accept your badge, you'll be brought immediately into a sharing workflow that allows you to share to Facebook, Twitter, and LinkedIn, embed in a personal website, or share over email.

What are the benefits of a badge?

- A single source that combines your credentials and provides a complete overview of your skills.
- Digital badges allow for you to easily share your accomplishments in social media.
- Provides employers with easy, valid verification of your VMware credentials.
