If you arrive more than 15 minutes late for your scheduled exam time, you will be refused admission, and the payments are due for the exam fees. Prior to entering the test room, you will be identified and processed for admission by the test administrator.

Identification (ID) Requirements

- You need to present two IDs for the test:
 - The Primary ID should be a government-issued ID with the name, photo and signature.
 - The second ID needs to have your name and signature. No photo is necessary for the second ID.
- All IDs should be original. A photocopy of an ID is not allowed.
- Exceptions to ID Requirements:
 - Expired forms of ID may be acceptable only if accompanied by valid renewal papers.
 - Any government issued ID missing a visible signature or having an embedded signature may be supplemented with a valid ID that has at least a matching name and signature. This would be in addition to any exam sponsor (client) issued secondary ID requirement.

- If you have any questions about the ID requirements, please contact Pearson VUE customer service at www.pearsonvue.com/contact.
