

U.S. Department of Veterans Affairs
 GI Bill Reimbursement Program
 VMware Certification Program Exam Instructions

U.S. Veteran or Active Military,

The VMware Certification Program has been approved from the VA Education Department’s for the GI Reimbursement Program benefit. Below are the instructions to navigate through the U.S. Department of Veterans Affairs website to submit your exam fee reimbursement request.

1. Visit VA Affairs Licenses/Certification Search web page at <http://inquiry.vba.va.gov/weamspub/buildSearchLCCriteria.do>
2. Enter the search parameters below and then click on the “Submit” button.
 - a) L&C Name: VMware
 - o (This field is CASE sensitive. It will return no values if you enter the “M” as capital in VMware.)
 - b) LAC Category Type: Both
 - c) Click on the “Country” box to ‘To Search by Country’.
 - d) The following list will contain the current list of APPROVED VMware Certification Program certification credentials. If there is a recently released exam not listed, it is undergoing the approval process through the VA Department and will be added shortly.
 - o Click on the credential title to view the exams that are approved for reimbursement.
