

Earn 2021 Certification, Your Way

New Open Enrollment Promotion through April 24, 2021

Accelerate your success as a 2021 VMware Certification Professional (VCP)

Did you know that there is a direct correlation between IT Professional Certifications and career advancement? The recently published [IDC Analyst Connect – A Solution to the IT Skills Gap](#) research concludes that **IT professionals with greater skills enjoy more careers opportunities, job satisfaction, and higher salaries.**

VMware® Learning empowers individuals and organizations to develop long-range technical expertise in and maximize the value of VMware technologies. Specific to certification, the **VMware® Certified Professional (VCP)** designation is a badge of honor, designed to validate your experience across the global IT industry. [Remote certification exam proctoring](#) is also available for convenience. We have now made it simpler and faster to earn your 2021 VCP designation in any or all Certification paths of your choosing with a limited time offer. Our 2021 VMware Certification paths align to these functional disciplines:

1. Data Center Virtualization
2. Network Virtualization
3. Cloud Management and Automation
4. Security
5. Digital Workspace, Desktop and Mobility
6. Application Modernization

Take a VCP qualifying course via Open Enrollment registration, earn a VCP exam voucher
