

VMware Education Promotions Exclusive Cert Prep Workshops

Aug-Oct 2020

Purchase and attend one of the eligible Live Online classes before 30th October and you'll receive an exclusive invite to our 1-day Certification prep workshops covering VCP-DCV or VCP-NV, hosted by some of our most esteemed Senior Technical Instructors.

The instructors will walk step by step through the exam blueprint, provide some helpful revision tips and engage in deep discussions with the group to answer any of your questions.

This is a unique opportunity to have ungated access to our instructors and learn from them to help you succeed in passing your VCP exams. It's also a great chance to network with other peers and share any best practices when studying and revising for certification exams.

These workshops will not be recorded and will only be available on the dates shown in the invite. Don't miss your opportunity, sign up for a Live Online class today and receive your invite once you've completed the class.
