

CERTIFICATE OF REGISTRATION

Information Security Management System - ISO/IEC 27001:2013

The Certification Body of Schellman & Company, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013

VMware, Inc.

for the following scope of registration

The scope of the ISO/IEC 27001:2013 certification is limited to the information security management system (ISMS) supporting the management of the infrastructure and services used to support VMware's in-scope cloud services and in accordance with the statement of applicability version 2.0, dated May 25, 2022, and aligned to the control sets in ISO/IEC 27017:2015 and ISO/IEC 27018:2019. Assets within the scope of the ISMS include information, software, databases, hardware, and employees supporting the in-scope VMware cloud services. The service areas within scope of the ISMS are included on page 2.

which includes the following in-scope location(s) on page 3 of 3

Certificate Number: **1125607-10**
