## Overview of Consulting Credits

VMware Consulting Credits provide a flexible way to purchase VMware Consulting Services. VMware Consulting Credits can be procured as a stand-alone purchase. This helps to manage costs and eliminates the need to allocate additional funds later.

Credits are available for purchase globally and can be used towards any available packaged consulting and custom consulting. Credits are available for purchase by VMware end-user customers only. A minimum credit purchase of \$250,000 USD is required.

- Credits can be purchased directly from VMware, VMware authorized distribution, and reseller partners.

## How Consulting Credits work

- Credits account must be activated before credits can be used.
- Credits expire one calendar year from date of purchase even if the credit account has not been activated.
- Credits may be redeemed for VMware Consulting Services
- For consulting offerings, one (1) credit will be redeemed for \$100 USD of VMware list price services.
- For custom consulting engagements a statement of work (SOW) is not required at the time of purchase; however, a signed SOW is required prior to the engagement.
- Instructions for redeeming credits can be found on [VMware Credits](#).

## Eligibility restrictions for U.S. public sector customers

- VMware Consulting Credits are not available for purchase by or on behalf of U.S. federal or territorial government end customers.
- VMware PS Credits currently held by or on behalf of U.S. public sector customers will remain available for redemption in accordance with the terms and conditions in effect when the credits were purchased.
