

VMware Workspace ONE® Intelligence™ for Consumer Apps

Sub-Processors

VMware may hire other companies to provide certain services on its behalf. Sub-processors who may process Content (as defined in the General Terms) are itemized below. VMware affiliates may also process Content. As set forth in the Data Processing Addendum, VMware has adequate data transfer mechanisms in place with each sub-processor. The list below does not apply to pre-release versions.

Sub-Processors: None

Data Center Provider	Country	Backup and DR Location
Amazon Web Services, Inc.*	USA	USA
	Ireland	Ireland
	Germany	Germany
	Japan	Japan
	Australia	Australia
	Canada	Canada
	United Kingdom	United Kingdom
	India	India

*The email service provided using AWS SES is encrypted and routed through the US data center location.

VMware may use additional sub-processors for customer support – see the sub-processor listing for [VMware Support Services](#).

If you would like to receive updates to this sub-processor list, please go <http://pages.cloud.vmware.com/sub-processor-communications>, and enable notifications for this sub-processor list.
