Overview of Professional Services Credits

VMware Professional Services Credits provide a cost-effective and flexible way to purchase VMware Consulting Services, Training and Certification. VMware Professional Services Credits allow customers to buy credits at the time of license purchase or as a stand-alone purchase. This helps to manage costs and eliminates the need to allocate additional funds later.

Credits are available for purchase globally and can be used towards any available VMware Professional Services (including packaged consulting, custom consulting, and Technical Account Management) and VMware Learning (including training services).

- Credits are available for purchase by VMware end-user customers only.
- Credits can be purchased directly from VMware, VMware authorized distribution and reseller partners, and from the [VMware Store](#).

Benefits of Professional Services Credits

- Flexibility: Leverage budget cycles and apply credits as needed towards education and consulting services
- Value: Volume-based discounts are available for packaged consulting and training
- Efficiency: Less administrative effort and a more streamlined order fulfillment process, especially when you make bulk credit purchases

How Professional Services Credits work

- Credits account must be activated before credits can be used.
- Credits expire one calendar year from date of purchase even if the credit account has not been activated.
- Credits may be redeemed for VMware Consulting Services and VMware delivered learning courses, as well as training delivered through the VMware Authorized Training Center (VATC) program.
- For packaged consulting and learning offerings, one (1) credit may be redeemed for \$100 USD of VMware list price services.
- For custom consulting engagements credits are applied according to the list price based on volume of purchase.
- For custom consulting engagements a statement of work (SOW) is not required at the time of purchase; however, a signed SOW is required prior to the engagement.
- The Technical Account Management (TAM) services are delivered as at-cost services and credits are applied according to list price by volume.
- Credits may be used towards travel and expense (T&E) and are applied at list price by volume.
- Discounts are not applicable when using Professional Services/Learning credits as payment.
- Instructions for redeeming credits can be found on [VMware Credits](#).

Eligibility restrictions for U.S. public sector customers

VMware is discontinuing the sale of new VMware Professional Services Credits for U.S. public sector customers. Accordingly:

- VMware Professional Services Credits are not available for purchase by or on behalf of U.S. federal or territorial government end customers, except to fulfill: (1) quotes issued on or before September 30, 2020, or (2) contractual commitments entered into on or before September 30, 2020. U.S. territorial government end customers include any non-federal government entities located in American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.
- Restrictions apply to purchases by or on behalf of U.S. state and local government end customers. Please contact your VMware representative for more information.
- VMware Professional Services Credits currently held by or on behalf of U.S. public sector customers will remain available for redemption in accordance with the terms and conditions in effect when the credits were purchased.
