

Enterprise Learning Subscription

Take your IT Training to the Next Level

Free VMware Certification Voucher included with the Enterprise Learning Subscription

Standalone Training Options:

- Individual On Demand Courses (30-day access)
- Individual Exam Prep Courses (180-day access)
- Individual VMware Lab Connect™ (30-day access)

Sending your IT team offsite for training is not always an option. The VMware® Enterprise Learning Subscription (ELS) delivers convenient and flexible training that lets your team train at their own pace—when and where they want.

This all-inclusive offering gives each licensed user access to all content available through VMware Customer Connect Learning™, including all VMware On Demand courses. Subscribers also get a free VMware certification exam voucher.

Why Enterprise Learning Subscription?

- Designed specifically for IT organizations
- Ideal for global team with varied skill levels
- Access to all On Demand and Lab Connect courses

What's Included in ELS

- Certification exam voucher for each licensed subscriber
- Includes digital versions of our most popular in-person courses and labs
- Includes over 1,300+ videos from Basic and Premium subscription plus On Demand courses and corresponding labs
