

VMware AirWatch Basic Support

KEY BENEFITS

- Global, 12x5 access to Support.
- 24x7 access to support for Severity 1 issues.
- Unlimited number of support requests.
- Remote support.
- Online access to documentation, knowledgebase articles, software updates, and other technical resources.

Overview

AirWatch Basic Support is designed for non-critical applications and platforms that require support during normal business hours. Our Support Centers are strategically placed to provide you with fast and efficient access to the support team in your region. Each center is staffed with engineers that can provide industry-leading expertise in mobility and have experience supporting real-world customer environments. AirWatch by VMware is committed to delivering enterprise-class, worldwide support with a single objective in mind: your success.
