

# VMware Premier Support for Financial

Priority access to senior-level engineers, proactive account services and upgrade planning

## KEY BENEFITS

- Priority access to senior-level technical support engineers provides expert assistance and speeds issue resolution
- Aggressive target response times help minimize downtime
- Additional business hours for weekend coverage are available for Severity 2 issues
- Proactive and reactive remote/onsite support service options included
- Proactive upgrade planning assistance included

## Additional information

The VMware Premier Support contract is limited to one business unit and entitlement account per customer, per geography.

## Terms and conditions

This datasheet is for informational purposes only. VMware makes no warranties, express or implied, in this datasheet. VMware Premier Support engagements are governed by the [VMware Technical Support and Subscription Services terms and conditions](#) and [VMware Cloud Services Support terms and conditions](#).

VMware Premier Support™ for Financial, offered as a supplement to the VMware Production Support and Subscription Service, provides you with access to senior-level, proactive support staff to keep your virtual infrastructures up and running 24x7. You will receive an Account Services contact, familiar with your team and environment, who will work with you to:

- Provide support request and critical situation management
- Facilitate recurring team meetings to review support requests, status updates and upcoming projects
- Coordinate root cause analysis efforts for your critical support requests
- Assist in coordinating VMware resources for multivendor troubleshooting efforts
- Coordinate onsite and proactive support services
