

VMware Workspace ONE® Access™

Sub-Processors

VMware may hire other companies to provide certain services on its behalf. Sub-processors who may process Content (as defined in the General Terms) are itemized below. VMware affiliates may also process Content. As set forth in the Data Processing Addendum, VMware has adequate data transfer mechanisms in place with each sub-processor. The list below does not apply to pre-release versions.

Sub-Processor	Country	Services Performed	Applicable VMware Service/Product	HQ Address	DPO contact	Data Transfer Mechanism
Amazon Web Services, Inc.	USA Canada Japan Australia Ireland United Kingdom Germany	Hosting provider and platform services	VMware Workspace ONE Access (cloud service offering)	410 Terry Avenue North, Seattle, WA 98109 USA	aws-EU-privacy@amazon.com	Standard Contractual Clauses
