

New HCI Kit Promotion To Accelerate Your Data Center Refresh

If you are preparing for a server or storage refresh or need to expand your current environment, then there's no better time than now to adopt VMware Hyper-Converged Infrastructure to lower costs, simplify operations and reduce risks.

For a limited time, take advantage of up to 20% off the license list price for the following VMware HCI Kits™:

- HCI Kit Standard¹
- HCI Kit Advanced
- HCI Kit Operations Management
- HCI Kit ROBO

¹Up to 30% off HCI KIT Standard in APJ region

The VMware HCI Kits promotion is available from August 6, 2020 – July 23, 2021. The promotion expires at 11:59 PM Pacific Time (PT).

For more information, please contact your VMware authorized reselling partner, VMware Account representative, or vmware.com/promotions.
