If the Winner is not authorized by its employing company or organization to receive the Prize, the Promoter shall request the Winner to appoint a charity of choice so that the Prize can be donated directly to that charity on the Winner's behalf. 25. For public sector (government) Participants, if the Winner is an official or employee of a government agency or a government-linked organization, the Promoter will consider the Prize as an "*agency donation*" directly to the Winner's agency or organization (in compliance with the rules and regulations of that agency or organization) and not to the individual Winner.
