

VMware Cloud Foundation (VCF) License Portability

List of Certified Cloud Services

This page is the official list of Broadcom Certified Cloud Services eligible for License Portability (BYOL or BYOS) that fall into the definition of “Cloud Services” as defined in VCF and applicable VCF Add-on Specific Program Documentation (<https://support.broadcom.com/web/ecx/legal-notices-external>). Customers intending on porting their licenses to any of these certified destinations can reach out directly to the Certified Cloud Services provider for more information.
